

Privacy Policy

Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices.

The Information We Collect

Priorities collects the following information to send to our synchronization server when the user has signed up for a *Priorities* Cloud account:

- All task data (pages, templates, and task information).
- Diagnostic data and sync conflict resolution revision information.

Notable Quotes collects the following information to send to our backup server:

- A user's backup data when they have explicitly enabled backup services

Occasions+ collects friends' name and birthday information in order to show them on your device, and only on your device.

The Way We Use Information

All data collected by *Priorities* is used to help diagnose problems when they arise, and to back up and synchronize a user's data. We do not share this information with outside parties.

All data collected by *Notable Quotes* is used to back up a user's data. We do not share this information with outside parties.

Our Commitment To Data Security

To prevent unauthorized access, this information is securely sent to and securely stored on our servers.

How To Contact Us

Should you have other questions or concerns about these privacy policies, please send us an email at info@handcarvedcode.com

Privacy Policy Updates

Although most changes are likely to be minor, Hand Carved Code may update its Privacy Policy from time to time. Hand Carved Code encourages its customers to check this page for any updates to its Privacy Policy.
